Melissa/Jason –

Any update on whether Sylvia has had a chance to review. The fact sheet was requested by 12:00pm today, but wanted to check in as I know that also Jessica Kao and Alexis wish to review before it is finalized. Please let me know. Thanks.

Hi Suzanne,

We have a draft fact sheet, but Sylvia is out today. She is going to look at it first thing tomorrow morning and we will get it to you asap tomorrow.

Thanks,
Melissa

Thank you Jason! Hi Melissa - I think that using whatever you already have prepared and approved is the best way to go – no need to create something altogether new. When you have a fact sheet ready and reviewed by Sylvia, Jane, Jason and Laurie – please send it to me and cc Brent Maier too. We have until Tues. to submit.

Melissa Scianni is staff lead and should have a relatively recent briefing paper you could work from. Sylvia and Jane should have the opportunity to review any draft final product before it goes out of the Region. Thanks - Jason

Subject: FW: FY 2016 Appropriation Hearings Fact Sheet on "Cargill" salt ponds CWA 404

Kate,

I believe the reference to "Cargill" may be the salt ponds in the South Bay, for which there is a CWA 404 Wetlands delineation/determination/jurisdiction issue?
Can you please help me with this fact sheet request from OW and OCIR? Thanks!

Brent, Suzanne –

We got this request yesterday from OCFO on providing policy factsheets to brief the administrator. Under OW there is the topic “Cargill,” which we aren’t too familiar with, but think may be a Region 9 issue. Can you all draft a policy factsheet and send it our way, ideally by **noon next Tuesday, February 10**? We’ve got to get it reviewed through our management, including our Chief of Staff, and get those comments resolved by Feb 12.

I’ve attached an example of one of the factsheets we did last year, so you can see the format.

Thanks,

Subject: FY 2016 Appropriation Hearings Fact Sheets (Due February 17th)

Senior Budget Officers,

OCIR is currently running a drill with Congressional Liaisons in both the Regions and HQ to produce fact sheets for the FY 2016 budget hearings (fact sheets are due to OCIR February 12). Attached is the list of topics for which OCIR is requesting fact sheets. If there are additional topics that your office believes should be covered, please let us know and please provide fact sheets on those topics. Fact sheets are due in the OB Lotus Notes Database by noon on **February 17**.

As a reminder, in order to best prepare the Administrator for the appropriation hearings, your fact sheets should meet the following criteria (template attached):

- Limit fact sheets to **one** page in length.
- Include only **one** question per fact sheet.
- Use brief, **3-bullet lists** for talking points rather than lengthy paragraphs.
- Include resource information where applicable.

The hearing schedule is as follows:

February 25th – House Energy and Commerce
February 26th – House Appropriations
March 4th – Senate Environment and Public Works
March 25th – Senate Appropriations

If you have any questions or require additional information, please contact Talitha Lindo at 202-564-3964 or Rebecca Muse at 202-564-2978.
